GENDER EQUALITY PLAN IN CHERVEN BRYAG MUNICIPALITY for the period 2023 – 2027

I. INTRODUCTION

According to the Law on the Equality of Men and Women, published State Gazette, no. 33 of 26.04.2016, Art. 10 - the state policy on equal status of women and men in municipalities is carried out by the local self-government bodies together with other bodies and organizations.

With this document, the Municipality of Cherven Bryag expresses its policy, goals and measures for gender equality.

The Plan has been prepared in accordance with the following strategic documents:

- ✓ The UN's 2030 Agenda for Sustainable Development, Goal 5 - Achieve gender equality and empower all women and girls(<https://sdgs.un.org/2030agenda>);
- ✓ The European Commission (EC) strategy for gender equality for the period 2020-2025.(https://ec.europa.eu/info/policies/justice-and-fundamentalrights/gender-equality/gender-equality-strategy_bg);
- ✓ The EU Action Plan on Gender Equality and the Empowerment of Women in External Action 2021-2025 (GAP III);
- ✓ The national strategy for the promotion of equality between women and men for the period 2021-2030.(<https://www.mlsp.government.bg/blgarsko-zakonodatelstvo>).
The plan for gender equality in the municipality was developed to establish the parameters for promoting labor and social relations in the administration in conditions of equality.

The scope of the current plan covers the mandate of the current heads of the municipal administration - 2023-2027 and covers all the main activities arising from the responsibilities

of the Municipality of Cherven Bryag as an employer and in the process of carrying out activities in the community, in accordance with the normative and strategic documents at European and national level containing prescriptions to ensure equality between women and men.

II. PRINCIPLES

The guiding principles in the plan for equality between the genders in the Municipality of Cherven Bryag are in line with the principles laid down in the National Strategy for the promotion of equality between women and men for the period 2021-2030.

In the context of the institutional policy of the municipality, the following are defined as leading principles:

Coordination and cooperation

Taking into account the comprehensive nature of the topic of the equality of women and men, the preparation, implementation and reporting of the Plan for gender equality in the Municipality of Cherven Bryag is the result of the coordinated joint efforts and cooperation of all interested parties - municipal administration, municipal council, state central and territorial bodies, non-governmental organizations, businesses and the general public.

Transparency

When preparing the Plan for Gender Equality in the Municipality of Cherven Bryag, the accompanying documents and reporting reports, the principle of transparency will be respected, giving all interested parties the opportunity to take part in the planning and monitoring of the policy on the equality of women and men.

Continuity and sustainability over time

With the adoption and implementation of the Gender Equality Plan in the Municipality of Cherven Bryag, the aim is to ensure a long-lasting positive effect of the implemented policy on the equality of women and men in all priority areas of activity.

Performance monitoring and control

The plan for gender equality in the Municipality of Cherven Bryag will be implemented through activities in priority areas for the time period 2023-2027.

Progress will be presented in reports that will contain information on the implementation of the set activities.

All participants in the processes related to the policy on the equality of women and men can further develop the basic principles according to the level at which they conduct their activities.

III. ANALYSIS OF THE EXISTING SITUATION

As of the beginning of 2022, the total number of the staff of the municipal administration is 175 people, of which 51 are men. In percentage terms, women make up 71% of the total number of employees compared to 29% of men. The staff according to Art. 19a of the Law on Administration, incl. the mayors, includes 3 women and 11 men - a ratio of 21% to 79%.

There are 5 women and 3 men in senior management positions - a ratio of 64% to 34%.

There are 7 women and 1 man in middle management positions - a ratio of 87% to 13%.

The municipality strives to maintain a balance of employed staff numbers and gender ratio, although in almost all directions according to the field of work, women traditionally predominate. Taking into account the specifics of the activities in the individual areas, which suggest an alternative to remote work, flexible working hours and remote work are practiced for parents with small children. Numerous projects allow employees to participate in training for additional qualifications, including after returning from extended parental leave.

IV. BASIC OBJECTIVE, SPECIFIC OBJECTIVES AND MEASURES

The main objective of the plan is to serve as a tool and framework for the implementation of gender equality in the workplace and to enable the integration of gender equality in the activities of the municipality.
